

# BAPTIST CONVENTION.

Preamble and resolutions reported by the Committee of 16, and adopted by the Convention:

## REPORT.

The Committee to whom it has been referred, to report a preamble and resolutions, cannot but express their profound sense of the responsibility resting upon your body at the present eventful crisis, as the integrity of the nation—the interests of truth—the sacred enterprise of converting the heathen are all involved in your deliberations. That such a convention was imperiously demanded, must be apparent to all. The Boston Board have in answer to the Alabama resolutions, most clearly and unnecessarily exceeded their power, and violated their trust. It is a question admitting of no debate, that the Triennial Convention was formed on the principle of perfect equality of members from the south and north. And what is all-important, the very qualifications of Missionaries are prescribed by the original constitution of that Convention: The fifth article providing that, "such persons as are in full communion, with some regular church of our denomination, and who furnish satisfactory evidence of genuine piety, good talents, and fervent zeal for the Redeemer's cause, are to be employed as Missionaries."

Besides this, too, the declaration of the Board, that if "any one should offer himself as a Missionary, having slaves, and should insist on retaining them, as his property, we could not appoint him," is an innovation and a departure from the course hitherto pursued by the Triennial Convention, such persons having been appointed.

And, lastly, this infraction of the resolution passed the last Spring at Philadelphia, and the General Board, at their late meeting at Providence, have failed to reverse this decision.

Amid such circumstances, your Committee deem it absolutely necessary that the friends of the constitution of the Triennial Convention, and the lovers of the Bible, shall at once take their stand, and assert the great catholic principles of that constitution and of the Word of God.

Your committee, therefore, submit the following resolution as embodying all that they are now prepared to suggest to your body.

**Resolved,** That for peace and harmony, and in order to accomplish the greatest amount of good, and for the maintenance of those Scriptural principles on which the general Missionary Convention of the Baptist Denomination of the United States was originally formed, it is proper that this Convention, at once proceed to organize a Society for the propagation of the Gospel.

## Constitution of the Southern Baptist Convention.

ART. 1. This body shall be styled the Southern Baptist Convention.

2. It shall be the design of this Convention to promote Foreign and Domestic Missions, and other important objects connected with the Redeemer's Kingdom, and to combine for this purpose, such portions of the Baptist Denomination in the United States as may desire a general organization for Christian benevolence, that shall fully respect the independence and equal rights of the Churches.

3. A Triennial Convention shall consist of members who contribute funds or are delegated by religious bodies contributing funds; and the system of representation and terms of membership, shall be as follows, viz:—An annual contribution of one hundred dollars for three years next preceding the meeting, or the contribution of three hundred dollars at any time within the said three years, shall entitle the contributor to one representative; an annual contribution of two hundred dollars as aforesaid, shall entitle the contributor to two representatives; and so, for each additional hundred dollars, an additional representative shall be allowed. Provided, however, that when application shall be made for the first time by individuals to be admitted into the Convention, one delegate shall be allowed for each one hundred dollars. And provided, also, that in case of great collateral societies, composed of representatives from the country, the ratio shall be one delegate for every thousand dollars annually contributed for three years, as aforesaid; but the number of representatives shall never exceed five.

4. The officers of this Convention shall be a President, four Vice Presidents, a Treasurer, and two Secretaries, who shall be elected at each triennial meeting, and hold their offices until a new election; and the officers of the Convention shall be, by virtue of their offices, members of the several boards.

5. The Convention shall elect, at each triennial meeting, as many Boards of Managers, as in its judgment, will be necessary for carrying out the benevolent objects it may determine to promote, until a new election. Each Board shall consist of a President, Vice President, Secretaries, Treasurer, Auditor and fifteen other members, seven of whom, including one or more of the officers, shall form a quorum for the transaction of business. To each Board shall be committed, during the recess of the Convention, the entire management of all the affairs relating to the objects, with whose interests shall be in strict accordance with the constitutional provisions as adopted by the Convention, and such other instructions, as may be given from time to time. Each Board shall have power to make such compensation to its Secretaries and Treasurer, as it may think right; fill the vacancies occurring in its own body, enact its own by-laws; have an annual meeting at any place it may appoint; and other meetings at such times and places as it may think best; keep a record of its proceedings, and present a report of them to the Convention at each triennial meeting.

6. The Treasurer of each Board shall faithfully account for all monies received by him; keep a regular entry of all receipts and disbursements, and make report of them to the Convention, whenever it shall be in session, and to his Board as often as required. He shall also, on entering upon the duties of his office, give competent security to the President of his Board, for all the stock and funds, committed to his care. His books shall be opened, at all times, to the inspection of any member of the Convention, and of his Board. No monies shall be paid out of the Treasuries of the Boards, but by an order from that Board, from whose treasury the money is to be drawn, which order shall be signed by its presiding officer.

7. The Corresponding Secretaries of the several Boards, shall maintain intercourse by letter, with such individuals or public bodies, as the interest of their respective bodies may require. Copies of all such communications, with their answers, if any, shall be kept by them on file.

8. The Recording Secretaries of the several Boards shall keep a fair record of their proceedings, and such other documents as may be committed to them for the purpose.

9. All the Officers, Boards, Missionaries and Agents appointed by the Convention, or

by any of its Boards, shall be members of some regular Church, in union with the Churches composing this Convention.

10. Missionaries appointed by any of the Boards of this Convention, must, previous to their appointment, furnish evidence of genuine piety, fervent zeal in their Master's cause, and talents which fit them for the service, for which they offer themselves.

11. The Bodies and Individuals, composing this Convention, shall have the right to specify the objects, or objects, to which their contributions shall be applied. But where no such specification is made, the Convention will make the appropriation at its own discretion.

12. The Convention shall hold its meetings triennially, but extra meetings may be called by the President, with the approbation of any of the Boards of Managers. A majority of the attending Delegates shall form a quorum for the transaction of business.

13. Any alterations, which experience shall dictate, may be made in these Articles, by a vote of two-thirds of the members present at any triennial meeting of the Convention.

**Unanimously Resolved,** That the thanks of this Convention are due and are hereby tendered to the citizens of Augusta, for the kind hospitalities, so generously extended to us during our meeting, and we earnestly supplicate that God's mercy may descend in rich effusions, and more than repay in spiritual blessings, the efforts of our friends to render our stay among them so agreeable.

**Resolved,** That a collection be taken in the Baptist Church to-morrow morning for Foreign missions, and in the evening for Domestic missions.

**Resolved,** That in accordance with the provisions of the 2d article of the Constitution, this Convention will cordially embrace and affiliate auxiliary societies upon its principles, and recommend to the brethren the formation of such societies.

**Resolved,** That the several State Conventions, and other bodies who may be in possession of funds, for Foreign or Domestic missions, be requested to forward such funds to the Treasurer of the respective Boards, as promptly as convenient.

**Resolved,** That the aborigines of America have strong claims on American Christians for the Gospel, and as the Mission association has been organized with special reference to their special benefit, we recommend the Churches to sustain that body, with zeal and liberality.

**Resolved,** That the board of Domestic Missions be instructed to take all prudent measures for the religious instruction of our colored population.

**Resolved,** That the Foreign Mission board of this Convention be instructed to communicate with the acting board of the Baptist Triennial Convention in reference to any claim we may have upon the Convention, or any claim which that body may have, or think they have, upon us, and that the said Board report fully to this Convention at its next meeting.

**Resolved,** That our Foreign Mission board be authorized to enter into any equitable and prudent arrangement, with the acting board of the Baptist general Convention, to take a portion of its missions under the patronage of this Convention.

**Resolved,** That applications be made to the proper authorities of the State of Georgia for a charter of incorporation, and that Judge J. H. Hillier, Hon. W. Lumpkin, Judge T. Stocks, M. A. Cooper, Esq., and Rev. C. D. Mallory, be a Committee to present a petition for this object.

**Resolved,** That this Convention recommend the Domestic Mission board to direct their effective attention, to aid the present effort to establish the Baptist cause in New-Orleans.

**Resolved,** That with profoundest gratitude to the Great Head of the Church, this Convention do recognize the harmonious action to which he has arrived, and that we do regard the exhibition of the Christian Spirit which has governed its deliberation, as a proof of the divine presence in the origin and prosecution of this organization.

And the Convention adjourned sine die.

We copy what follows from the Southern Recorder:

**Episcopal Convention.**

The Convention of the Protestant Episcopal Church, which has been in session here since Thursday last, adjourned yesterday morning. No business of special importance came before it. The reports from the different parishes were favorable.

A special ordination was held on Sunday morning in St. Stephens' Church, when the following gentlemen were admitted to Deacon's orders: Messrs. Owen P. Thackara, Nicholas A. Okeson, Wm. J. Ellis, and Wm. P. Mower. The sermon on the occasion was delivered by the Rev. E. E. Ford, D. D., of Augusta, after morning prayer by the Rev. E. Neuville. The candidates were presented by the Rev. Mr. Bragg.

The Rev. Messrs. Neuville, Ford, Bragg, and Stevens, were appointed Delegates to the General Convention.

The next Convention will be held in Emanuel Church, Athens, on the Thursday after the first Monday in May next.

**Daniel O'Connell.**—The Philadelphia correspondent of the Washington Union, the President's official organ, says:—"The rash and malignant attacks of Mr. O'Connell upon the American people and the American government, have awakened in the hearts of our citizens the deepest and most unequivocal indignation. By the repealers his conduct is particularly condemned. They feel that the position in which he has placed them is humiliating in the extreme; and while they deny that he speaks the sentiments of the Irish nation—a fact which is abundantly confirmed by the tone of the Irish papers—they do not hesitate to characterize his conduct by the terms which it deserves. I presume the example of the repealers of Baltimore, who dissolved their association, and transferred their funds to the Hibernian Society, as soon as Mr. O'Connell's speech came to hand, will be followed by the repealers generally of the Union."

**Political Information.**—The New York Morning News presents a tableau of the next Congress, from which it appears that, so far, 99 democrats have been elected, and 58 whigs: "Sixty-three members are yet to be elected, three of them in consequence of the failure of the repealers of Baltimore, who dissolved their association, and transferred their funds to the Hibernian Society, as soon as Mr. O'Connell's speech came to hand, will be followed by the repealers generally of the Union."

The other fifty-seven members comprise the entire delegations from the States of Maryland, North Carolina, Alabama, Mississippi, Tennessee, Kentucky and Indiana. To the last Congress they sent 34 democrats and 23 whigs. We may lose one in Indiana, and two in Kentucky; and probably gain three in Maryland. Our majority in the next House will be from 50 to 55."

It appears from a statistical return drawn up by the Spanish Minister of Finance, that the number of nuns in Spain is 11,772.

A young buck, who belongs to the independent drink-or-let-it-alone-just-as-I-please-without-signing-the-pledge fraternity, popped the question to a pretty girl a short time since, who brought a still deeper blush to her cheeks, as she signed the pledge to neither drink or traffic in ardent spirits, she did not feel at liberty to traffic herself off for a hoghead of brandy.—N. O. Crescent.

Two parcels of Maryland Oats brought 30 and 31 cts. per bushel.

**Cotton.**—During Wednesday and Thursday there was a good demand for this article, but yesterday the market was very dull; we have, however, no change to notice in prices. The sales are 4300 bales.

**Naval Stores.**—Of Turpentine, we have only a notice sales of scattering lots at previous prices.—Selected Tar is worth by cargo \$2 per bbl.; sales of small lots being made above this rate. Rosin is dull, and we have only to notice a sale of 200 bbls. No. 1 White Wilmington, at \$1 18 1/2, cash. There is a better demand for Spirits Turpentine, and 400 casks Southern have changed hands at 42 cents, cash, and 43 a 44, a mos.

**Rice.**—The market remains as before noticed. Prices are too high for export, and with the exception of 3 a 400 lbs. taken out of the market, on terms not transpired; the transactions have been confined to small lots for home use. Advice from the South tend to confirm the pretensions of holders, and we do not vary our quotations. The stock is ample for the season.

**FAYETTEVILLE MARKET.**—May 17.

There has been very little change in our market during the week. A lot of 20 bales cotton brought 5 1/2-16. We have heard of no other sales of any quality. Flour still scarce, and would sell at \$3 75 to \$4 25. Bacon is also in demand. But little domestic liquors offering, and holders find it difficult to work off.—North Carolinian.
